tel/viber: 063/17-47-258  
Opis knjige: Introducing the first available review guide that follows the outline of the new Registered Medical Transcription (RMT) Certification Exam administered by the American Association for Medical Transcription. The RMT credential is a Level 1 certification and is designed for practitioners based in physicians' offices, those working only with certain specialties, and also for the graduating medical transcription student. With this systematic approach to review and preparation, you'll gain the confidence and competency you need for successful performance. Highlights of the AAMT RMT Review Guide include: \* The three major units of study: Unit 1, Medical Language; Unit 2, Systems/Specialties; and Unit 3, English Language \* A complete checklist of learning objectives for each chapter to help you track content preparation \* A comprehensive resource section for each chapter to guide you through systematic study of industry textbooks and references \* Sample reports in each systems chapter to help you review chapter content and current usage \* Review questions to assess your preparation level and identify knowledge and experience gaps for further review \* Plus a BONUS CD-ROM-featuring 360 additional review questions (20 for every systems chapter) and more than 100 dictation exercises This invaluable learning and exam prep tool will help guide you through your studies and successfully prepare you for a future in medical transcription
