Tekst oglasa:

Oh, you guys, this place is something special! □ A beautiful 49 m² apartment located in northern Telep, in a small, exclusive residential building. Brand new, never lived in, and full of possibilities. Whether you're looking for a stylish private home, a consulting office, a space for private lessons, a beauty or wellness studio - you name it, this place has the potential to make it happen. One private parking space within the building is included. The apartment is situated on an elevated ground floor, offering easy access while maintaining a lovely sense of privacy. Everything you need is just around the corner: schools, kindergartens, hospitals, supermarkets and a major boulevard(s) with excellent connections to the rest of the city. But what really makes this place stand out is its atmosphere. Private, peaceful, elegant and understated. A little urban retreat where you can find your balance, focus on your work, welcome your clients or simply enjoy your own space. A beautiful place where you can find your peace while shaping your own personal strategy. Available for long-term rental.
