Tekst oglasa:

A bright and very cozy two-bedroom apartment is for sale in the very center of Subotica. The apartment is located in a quiet courtyard, yet it is only a few minutes' walk from the City Hall, pedestrian zone, shops, restaurants and all the amenities of the city center. The train station with the fast train to Belgrade can be reached on foot in about 12 minutes. The apartment is being sold fully furnished and with all appliances. All you have to do is bring your things, sit on the couch and turn on the TV – everything stays in the apartment and it's ready to move in. One of the biggest advantages of the apartment is its very low running costs. Thanks to the good insulation and location of the apartment, heating is almost not needed during the winter. Parking is not a problem – there is always space in front of the building, as well as in the yard. The apartment is an excellent choice for living, renting out, or as a long-term investment.
